

Just think Porta Kleen— and you won't have to worry about portable sanitation again.

PORTABLE SANITATION IS PROBABLY SOMETHING YOU DON'T WANT TO THINK ABOUT too often. That's why Porta Kleen is committed to being your total mobile shower, restroom solution, and event services provider. When you trust Porta Kleen to handle your outdoor sanitation and event needs, you can rest assured you'll have clean, working, quality equipment on hand—when you need it, where you need it.

Porta Kleen has provided sanitation and event solutions for the U.S. military and federal government, emergency deployment agencies, local construction sites, and a variety of outdoor events, concerts, and sporting events. Based in Lancaster, Ohio, our mobile restroom and showers and our Rhino road barriers are used in Ohio and surrounding states, as well as locations across the country.

Giving you the next best thing to home

The Avon Breast Cancer Walks throughout the United States, Jamboree in the Hills, NASCAR races, the Indianapolis 500, and a variety of PGA events are all well-known, very successful events. And they all count on Porta Kleen for clean, quality, outdoor sanitation. FEMA hurricane relief efforts in Florida and North Carolina and U.S. Army training grounds at Fort Polk, Fort Drum, and Fort Irwin also depend on Porta Kleen's mobile showers and restroom trailers. In fact, Porta Kleen is proud to be the only GSA schedule holder for mobile showers.

What you need—when you need it most.

Effectively meeting the needs of such a diverse group of customers requires a sizable inventory. With thousands of single units (each with hand sanitizers included), dozens of mobile restroom and shower trailers, and many more currently underway in our in-house manufacturing facilities, Porta Kleen offers the largest mobile restroom and shower trailer fleet in the business.

Whether you're looking for the most basic solution or elegant VIP trailers with electricity, hardwood floors, Corian® counter-tops, lighting, and mirrors, we are committed to delivering it. With so many solutions in stock, we can respond at a moment's notice, which is especially critical in disaster situations.

When it just has to be clean, make it Porta Kleen.

From single units to VIP trailers, one thing you can always count on with Porta Kleen is the cleanliness of our facilities. Of course, nothing is better than being at home, but Porta Kleen equipment is designed to be a close second.

We also know that clean only counts if the equipment works. That's why you won't find better mobile showers, restrooms, hand wash stations, water systems, and holding tanks anywhere else.

But clean, quality equipment is just the beginning of the Porta Kleen experience. Your needs are important to us, and we won't leave you stranded. Our staff can stay on site, providing around-the-clock service and maintenance, for the entire duration of your event. Porta Kleen technicians are always in radio contact with your event or facility managers to guarantee everything is in good working order.

Available services include:

14 and 16-Stall Mobile Shower Units featuring stainless steel construction and the only mobile private shower stalls and private dressing rooms available. Our trailers also include dressing rooms, propane-fired boiler system for an endless supply of hot water, on-board water storage, heated interiors, sinks, mirrors and electric outlets. Generators are also available for sites without electricity, and these units can be delivered anywhere in the continental United States.

Locker Room Shower Trailer with 8 private shower stalls and 32 lockers, bench, sinks, mirrors, urinal trough, and toilet. Heating and air conditioning, propane-fired boiler system, and on-board water storage are some of the additional amenities available.

Portable Restroom Trailers and Single Units are designed to meet the needs of your event or site. Amenities can include flushing or non-flushing toilets, urinals, sinks with fresh running water or hand sanitizers, towel dispensers, soap dispensers, shelves, coat hooks, mirrors, and changing room space. Luxury features like Corian® counter tops, lights, heating and air conditioning, hardwood floors, crown molding, and stereo are also available. Porta Kleen offers wheelchair accessible single units and units equipped with hoisting mechanisms as well.

Custom Solutions are available if you find that Porta Kleen doesn't have exactly what you're looking for. We manufacture all of our own trailers and equipment in house, and we have the capabilities to build a custom solution just for you.

Experience the Porta Kleen difference.

Clean, reliable, and dependable. Since 1995, Porta Kleen has been committed to meeting your needs and raising your expectations when it comes to portable sanitation and event services. Try us, and you'll see that when you trust Porta Kleen, your needs will be completely taken care of. We guarantee it.
